

**LOVE'S AND SPEEDCO  
SERVICE PARTNERSHIP**

## **SERVICE THAT MATCHES YOUR STANDARDS OF EXCELLENCE.**

International Truck knows that when your trucks go down, you aren't making money. And you need technicians you can rely on to get you back on the road fast. At Love's and Speedco, you'll receive the same superior service you've come to expect from your dealership technicians with the added convenience of more than 340 additional service locations nationwide.

### **RIGOROUS TRAINING FOR TECHNICIANS COMMITTED TO SUPERIOR SERVICE**

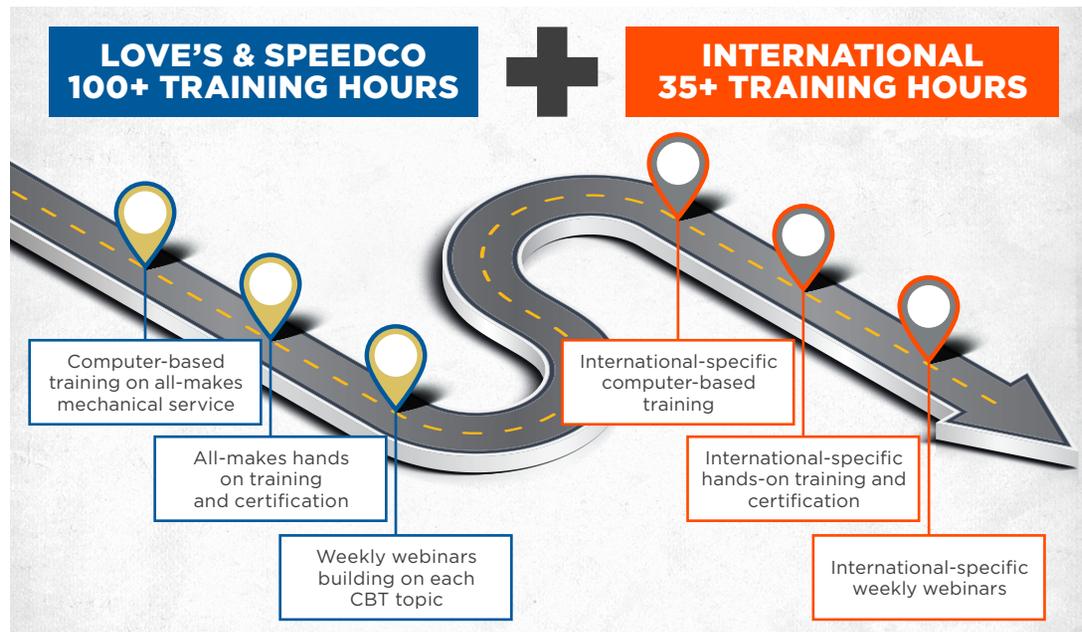

- 100+ training hours of Love's technician training
- 35+ additional training hours on International® Trucks
- Training equivalent to ASE-accredited International Trucks training program
- Mobile training labs dedicated to continuing International Truck equipment training

## WE TAKE YOUR UPTIME SERIOUSLY

- Love's and Speedco technicians undergo 135+ hours of training, over 35 of which are dedicated exclusively to training on International Truck models.
- Training includes testing that technicians must pass to ensure they have the knowledge and understanding to perform quality work on International trucks.
- Love's and Speedco technicians receive equivalent certification training to International® dealer technician training, which has been accredited by the National Institute for Automotive Service Excellence (ASE).
- Six mobile training labs, outfitted with International equipment including Diamond Logic® Builder software, travel to regional Love's and Speedco locations to conduct training on International Truck diagnostics and repairs.
- International Truck has subject matter experts at Love's call centers to support technicians when they're in need of extra guidance or information.

## EXTENSIVE TRAINING HOURS TO ENSURE QUALITY REPAIRS

## ASE ACCREDITATION

International Truck and IC Bus are the only commercial truck and bus manufacturers whose technical training programs are accredited by the National Institute for Automotive Service Excellence. Love's and Speedco technicians receive equivalent training.
