## PLANNED MAINTENANCE

Consistent, reliable, high quality work across our service network.

- Maintenance events include oil and fuel filter, fuel filter, fuel-water separator filter, and 84-point inspection
- Chassis items included in Planned Maintenance include air dryer filter, engine air filter, and power steering fluid
- Coverage also includes valve lash, DEF pump filter, transmission fluid and filter, and DPF replacement / cleaning at appropriate intervals

## SERVICE EVENT ORCHESTRATION

Dedicated resources to managing and expediting your service and repair events including:

- Review repair history and identify open campaigns or calibration updates with the service location
- Coordinate technical and field support and facilitate expedited parts shipments when needed
- Help facilitate timely communications and service progress updates to keep you informed

## TOWING COVERAGE

- Protects you and reduces out-of-pocket expenses in the event of a warrantable roadside failure. Covers up to \$1,650 per event.

Speak with your sales representative about available coverage term options.

## PROACTIVE SERVICE PLANNING

Our team will use remote vehicle health and performance data to support you in planning service events.

- You will receive communication in advance of upcoming service and maintenance needs
- We will coordinate with you to schedule service at a time and location that minimizes disruption to your operations
- This proactive approach can lead to FEWER and FASTER service events during your ownership cycle

## COMPLETE VEHICLE COVERAGE

- Powertrain coverage to protect your S13 Integrated engine, T14 transmission, and aftertreatment
- Non-powertrain coverage option that includes electrical, cooling, suspension systems, and more
- All contracts come with a guaranteed \$0 deductible, 100% parts and labor coverage, NO claims maximums, and are transferable to second owners
